Spanish Boot Camp Program

- 8 hours of learning by speaking Spanish to native speakers
- 1-to-1 ratio of native Spanish-speakers to students
- Lunch in Spanish

- A stimulating and entertaining atmosphere made comfortable by our facilitators

Orientation: 8:00 – 8:30 AM

One-to-one sessions (8:30AM - 11:20AM)

Each student will work with one native speaker during these one-to-one sessions. Every 50 minutes, students will be assigned to a different native speaker to gain maximum exposure to different accents, language varieties and topics for discussion. Pairs of student/native speaker can sit and talk or walk as small groups to nearby destinations.

First One-to-One Session: (8:30- 9:20AM)

Second One-to-One Session: (9:30-10:20AM)

Debate: (10:30- 11:20AM) In a small group two Spanish speakers and two students debate a variety of topics. Discussion introduces new ideas, new vocabulary and a need to make or defend an argument or point of view.

Small Group Activity (11:30 – 12:30)

Groups of four will work together to solve a problem: (11:30-12:20PM)

Lunch (12:30 - 1:30PM)

Two Spanish speakers and two students are seated at each table. Even your mealtime is a valuable moment to continue listening and speaking while enjoying the food. Food will be catered.

After Lunch? More Spanish!!

Phone Calls (1:40PM -2:30PM) Students

practice day-to-day, real life communication situations over the phone. Whether you need to negotiate a contract or make travel arrangements you can practice this dynamic through a telephone session. Example scenarios are provided to help students speak over the phone.

Manualidades (2:40PM – 3:30PM) A short how-to presentation of Mexican craft activities. Students will learn about a typical craft and see how it's made.

Presentation preparation (3:40- 4:30PM)

Students will present a monologue (e.g biography about themselves or their career plans); or a theater presentation such as a mini dialogue. They will work with a native speaker to help prepare a 2 to 5 minute presentation.

Presentation Hour 4:40PM- 5:30PM

In the last hour of the program participants meet together for an hour to laugh and learn through presentations, performances, sketches, and more.
